

To whom it may concern,

Cheryl Justak from Golf Club Masters Inc., has been a trusted colleague of the Chicago Golfweek Amateur tour since we began hosting tournaments in the Chicago land area in 2010. Working alongside Cheryl has been effortless and helpful to the growth of our business.

Since our relationship began over 2 years ago, I have come to learn that Cheryl is a true “go getter” and hard working person who is driven to succeed at the highest level. Partnering with Cheryl has allowed the Chicago Golfweek Amateur Tour to bring more exposure to events which has lead to greater participation from prospective members. Cheryl has brought more value to our events through her partnerships with local golf courses and provided additional prizes, which has increased our participation numbers. Cheryl’s hard work for us has really assisted us to become one of the top amateur tours in Chicago.

Golf Club Masters has also been instrumental in assisting our marketing efforts to bring in new members. Having ad space as part of the already information packed Golf Now! Chicago guide has increased the exposure of the tour. We have received a favorable response to our ads from prospective members. Combined with the large circulation area the guides are distributed and the quality of the guide, we know that Cheryl is working hard for us, and that means money well spent from our point of view.

Probably the best part about our partnership with Cheryl and Golf Club Masters Inc., is the friendship that has been formed over our time working together. In today’s business world, it’s not easy to find people who not only you can trust to do business with but also value their opinions and feedback. We can honestly call Cheryl a friend and valuable part of the Chicago Golfweek Amateur family.

Cheryl is a hardworking, top-performing customer service professional. She has my highest recommendation, and I am happy to furnish more details if you would like additional information.

Sincerely,

Rob Maguire

Tour Director – Chicago Golfweek Amateur Tour
