

PUBLISHER'S WELCOME—

Welcome to our **2014 issue of GOLF NOW! Chicago** and to a brand new golf year!

I am really excited about our two fabulous featured editorial stories. The first one by Eric Peschke is "**Fan Favorites & Future Stars**"—a great piece on pro golfers who always draw the crowds, the ones we love, as well as the "up-and-comers" who are destined to do great things in golf. The 2nd piece by sports writer, Len Ziehm is on the newest "**American Golf Capital**" in Northern Michigan—perfect for summer golf vacations.

Don't miss the **2014 Encompass Championship** as some of the most recognized names in golf, including many World Golf Hall of Fame members, will return to the **North Shore Country Club** in Glenview, IL. Come out and see your favorites tee it up on **June 16-22**. Affordable ticket packages are available and children under 18 are free! Visit our "**Events**" section for more information and our "Tournament Highlights" schedule.

Plan a "stay and play" getaway at the newly-renovated **Morris Inn** in the heart of Notre Dame, and take a day to attend the **Four Winds Invitational**. Walk along with future LPGA stars as they tee it up at the **Symetra Tour** for a return visit to **Blackthorn Golf Club**. Also, don't miss the return of the **Sr. PGA Championship** in May to **Harbor Shores Golf Club**.

We hope you enjoy this year's issue, and remember—
