FOR IMMEDIATE RELEASE

With golf season in full swing and so many fabulous golf courses to choose from in Northwest Indiana and the Chicagoland areas, many companies today are planning corporate retreats as a great way of mixing business and pleasure.

Trish Hernandez, Director of Sales and Marketing for the **Radisson Hotel at Star Plaza** and Cheryl Justak, Founder and President of **Golf Club Masters, Inc.**, (a consulting and marketing company specializing in the golf industry) are excited to announce a premier “**Great Golf Getaway**” package, which is the perfect venue for today’s corporate retreat. The Great Golf Getaway package available exclusively at the Radisson Hotel at Star Plaza features deluxe room accommodations, a welcome gift from Paradise Golf Supply (valued at \$30), a lavish breakfast buffet, a complimentary Starbucks beverage, and exclusive privileges and discounts at 2 private and 4 semi-private premier golf and country clubs located minutes from the hotel.

The six premier courses offering these special privileges and discounts available through the package only are: Briar Ridge Country Club, Schererville, IN (private club); Innsbrook Country Club, Merrillville, IN (private club); White Hawk Country Club, Crown Point, IN; The Brassie Golf Club, Chesterton, IN; The Course At Aberdeen, Valparaiso, IN; or Whittaker Woods Golf Community, New Buffalo, Michigan.

Combining business with pleasure is what the **Radisson Hotel at Star Plaza** does best – for a large group or the individual guest. Justak states that “with so many golf courses located near the hotel and other after-golf activities, it’s the perfect spot for a company or organization to host their corporate retreat or business meeting”.

Awaiting you at the hotel is a tropical atrium of swimming pools and spas, 347 spacious, beautifully-appointed guest rooms and suites, 5 different on-site restaurants, **Wisecrackers Comedy Club**, and the adjoining **Star Plaza Theatre**. Just a short drive of 36 miles from Chicago, it's centrally located to more than 30 great courses, 30 minutes away or less, with several championship courses just 10-15 minutes away, tops. After business or golf, across the street are miles of great dining venues such as **Café Venezia, Venezia Bar & Grill, Stones' Bones, Zuni's** -- and **Balagio's** new location in Merrillville, to name a few. Enjoy the many nearby area attractions including Lake Michigan casinos, **Splashdown Water Park**, and nearby **Westfield Mall**.
