## **CROSTOWN GOLF CLASSIC at Mistwood Golf Club on Friday, June 6**

Which baseball team has the best fans in Chicago? The dedicated fans who work and play at **Mistwood Golf Club** agreed there was only one way to settle this debate, and thus The Crosstown Golf Classic was born. Cubs fans competing against White Sox fans on the links does not justly describe the experience this golf tournament has become. Parking attendants, peanut vendors, a driving range transformed into a baseball diamond, a live billy goat, the singing of the national anthem and

fireworks signaling the start of competition are just some of the amenities competitors enjoy. Contests on the course include a disco record toss and a closest to the pin challenge where golfers trade in their golf clubs for a corked bat. After the round competitors are treated to dinner, a prize ceremony crowning the winning team, and a sports memorabilia auction for charity.
