CROWN POINT, INDIANA

Leave The Driving To Us!
36 Holes of Championship Golf Minutes From Downtown Chicago

Less than an hour's drive from downtown Chicago, **White Hawk Country Club** is NW Indiana's only 36-hole, semi-private, links-style championship golf course, which was designed by world-renowned golf architect, Dick Nugent. With four nines available, all course combinations are par 72 and can exceed 7,000 yards. White Hawk is ranked as one of Indiana's ten most difficult courses. Carved out of 250 acres of woods, prairies, creeks, and wetlands, this natural picturesque setting features seven large lakes, **bent grass on all fairways, tees, and greens**, and 78 acres of blue grass sod. State-of-the-art GPS Navigation System on golf carts allow golfers to keep score, view yardage to the hole, contact the golf shop, or order lunch to be ready at the turn. The elegant clubhouse offers multiple dining options and full service banquet facilities for golf outings, weddings, meetings, or any special event.
